ABOUT US

Heirloom Creative Co. is a unique NDIS service provider and music tuition school specialising in personalised, goal orientated support structures.

With over two decades of professional experience both in creative and social support facilitation as well as the Australian music industry, our team aims to help you grow the tools and skillset to actively engage in a variety of artistic disciplines with a range of options for this to be delivered in a one on one or group setting; both in a professional development or casual social context.

Heirloom Creative Co. deliver person centered supports with genuine interest and care to assist clients and participants achieve meaningful results regardless of whether these are big or small.

Operating from the Backstage Sound facility in Beresfield, NSW; we offer access to a broad range of industry standard equipment necessary for you to pursue your creative endeavours alongside capable mentors who are excited to assist you bloom.
